THREE IN ONE FAMILY MAKES UNUSUAL CASE

SOUTH HADLEY FALLS MAN RELIEVED OF STOMACH TROUBLE AND GAINED TEN POUNDS SINCE TAKING THE NATIONAL TONIC.

Health is wealth. Health is the greatest wealth in the world—the soundest capital, the biggest asset. Without health the bloated bond holder is a pauper. With health the plodding laborer is rich. All the money in the world cannot buy this asset of health that is absolutely necessary for success of any kind. The man without health is better before he begins his fight. He does not even qualify for a trial. He is barred from ever trying.

Mr. Fred Wicks of 52 Granbe Road South Hadley Falls, Mass., has been relieved of stomach trouble and has gained 10 pounds in weight since taking the National Tonic. His wife and son are also taking it and have been greatly benefited. Mr. Wicks made and signed the following statement August 5th, at George F. O'Connor's Drug Store, Holyoke:

"I have suffered from stomach trouble and heart-burn and could not eat very much and used to vomit quite a lot when my food didn't agree with me. I have suffered this way for two years and have been losing weight as I formerly weighed 150 pounds.

"I bought Tanlac because I saw it advertised. After taking six bottles of Tanlac I eat, sleep and feel much better in every way, and have no more heart-burn. I have also gained 10 pounds in weight.

"My wife and son are also taking Tanlac and have been greatly benefited. I am very glad to recommend Tanlac because it has done great work for me and I want others to see how good it is."

Weak, run-down men and women who need better digestion and more strength and a tuning up of the nervous system will find Tanlac an ideal tonic, appetizer and invigorant.

Tanlac is now sold in Brattleboro at the Brooks House Pharmacy and can also be obtained in all neighboring cities and towns at the Tanlac stores.—Adv.
